

Conversion photon analyzer

Yongsun Kim

28-Jan-14

Finally succeeded in getting

- A. Conversion photon analyzer tree
- B. On top of di-muon analyzer tree output files.

Full statistics will be ready in 2 days.

Two files will be merged to study the correlation.

I added several extra variable photon ID information in the tree for the cut study in future

Variables

~1% of total stat.

Event selection :
2 Ecal Cluster pairs and 2
gsf electrons are well
reconstructed
