K-Koto Meeting

2020/09/01

YoungJun Kim

Progress report

- Fitting method has been migrated from TF2.Fit() to RooFit.
  - In the RooFit, the **height of pdf is not a parameter.** Height is **automatically normalized.**
    - Only one parameter θ remains
  - RooClassFactory : $ROOSYS/tutorials/roofit/rf104_classfactory.C
-
